

MACDONALD  
MANCHESTER HOTEL

## THE MANCUNIAN WAY

IT'S NOT FOR NOTHING THAT THE NEW YORK TIMES HAS VOTED MANCHESTER ONE OF THE WORLD'S TOP 20 'MUST SEE' DESTINATIONS.

You'll find one of the UK's best shopping experiences with everything from independent pop-up shops to the world's oldest department store, Europe's third largest Chinatown, two of the world's biggest football clubs and a calendar of internationally acclaimed events which includes the Manchester International and the Manchester Jazz Festival. The M.E.N.Arena – the third busiest music venue on the planet – continues

to draw the biggest acts to the North West, whilst its nightlife needs no introductions.

So it may well be business that brings you to Manchester, but there's plenty to entice you back for a weekend less ordinary.

## MACDONALD MANCHESTER

THE MACDONALD MANCHESTER OCCUPIES A LANDMARK BUILDING ON LONDON ROAD. IT'S A BUILDING WITH AN UNEXPECTED PAST, FOR WHILST MOST MANCUNIAN WILL REMEMBER IT AS THE FORMER TELEPHONE EXCHANGE, FEW WILL KNOW IT WAS ORIGINALLY INTENDED TO BE THE CITY'S MOST LUXURIOUS AND AVANT GARDE HOTEL.

However, history was to take a slightly different turn and it would be a further 25 years before the first guests checked in, following a £50 million investment by Macdonald Hotels.

Behind its alluringly curved façade you'll find 338 of the city's biggest bedrooms, 14 meeting rooms, award winning dining and a spa that's one of the city's best kept secrets.

## 338 OF THE CITY'S LARGEST & BEST BEDROOMS

THE FIRST THING YOU'LL NOTICE ABOUT YOUR BEDROOM AT THE MACDONALD MANCHESTER IS THE SENSE OF LIGHT AND SPACE. THAT'S IF YOU'RE NOT DISTRACTED BY YOUR PERSONAL BOSE IPOD DOCKING STATION, THE ENORMOUS KING SIZE BED OR THE MESMERISING VIEW FROM YOUR WALL TO WALL WINDOW.

Little touches such as complimentary high speed broadband, flat screen televisions with more than 80 channels and spacious, stylish bathrooms make them amongst the best appointed. They're also reassuringly practical with plenty of desk space, a laptop safe, individual air conditioning, lots of storage and steam irons.

Spoil yourself and upgrade to a City View or Panoramic Room and enjoy the vista across the Manchester skyline (great by night, we might add), even more space and a guaranteed separate walk in shower.

So if you need a quiet space to work, a base for a night out on the town or a romantic weekend away, there's a bedroom just for you at the Macdonald Manchester.

What more could you ask for?

Well, for larger events including private dining, the Piccadilly Suite has the space for up to 240 people and can be divided into two. It's a flexible space with its own facilities, bar and fabulous views. A real talking point.

The Meetings @ Macdonald package means you'll have a dedicated point of contact throughout the day, and the choice of a working finger buffet or a creative, fresh deli lunch in the restaurant. Three refreshment breaks a day keeps you working, and the complimentary high speed broadband keep you working fast.

## FOOD & DRINK

IF HOTEL RESTAURANTS AREN'T YOUR THING, THINK AGAIN . WE'VE WON OUR THIRD CONSECUTIVE AA ROSETTE, AND ITS THANKS NOT JUST TO OUR YOUNG, COMMITTED BRIGADE OF CHEFS BUT ALSO THE HARDWORKING HIGHLAND FARMERS AND HARDY FISHERMEN WHO BRACE THE SCOTTISH WATERS DAILY TO KEEP OUR KITCHENS STOCKED AND OUR DISHES FRESH.

**Macdonald Hotels are committed to Simply Fresh Food, and when we say we use the finest ingredients, it's no tired old clich . All our salmon is sourced from John Ross Jnr, our pork is outdoor reared on Lincolnshire and Norfolk farms and our chickens are corn fed and free range.**

You'll taste this commitment to sourcing the very best in our breakfasts, our conference lunches or over a leisurely dinner in Signatures Restaurant, where the seasonally changing   la carte menu, the freshly sourced Market Menu which changes fortnightly and separate grill menu guarantee the regular visitor will never tire of choice.
