IT'S ALL ABOUT THE FOOD — 

We are wild about fish at Macdonald Hotels & Resorts, with our white fish all being wild. Fish isn't our only food passion; we care where and how all our ingredients have been reared or produced. All lamb and beef is Scottish, with our steaks matured for a minimum of 21 days. Our chicken is free range. Pork is the best of British – Our pork sausages are Red tractor certified and our bacon is British and dry cured. Last but not least, game: our wild venison and game comes only from Scottish estates and is not farmed. It's our dedication to serving only the highest quality food that makes us different.
