

Enjoying Afternoon Tea with friends and family is a tea-related tradition, originally introduced in Britain in the early 19th century by Anna, the 7th Duchess of Bedford. She conceived the idea of having tea at around 4 o'clock in the afternoon to ward off the hunger pangs between lunch and dinner, the custom caught on and Afternoon Tea was born.

At Macdonald Hotels & Resorts, our dedication to serving home-made variations using the finest fresh ingredients ensures that our Afternoon Tea is something special. Served traditionally on tiered cake stands with savoury finger-sized sandwiches, followed by scones with jam and cream, a selection of cakes and more... enjoy Afternoon Tea at its best.

TEA & INFUSIONS

*Served from 12pm to 6pm Monday – Sunday
Twinings Pyramid Tea & Infusions
All served with homemade shortbread*

English breakfast

A full bodied blend of peak second-flush “broken-grade” Assam tea grown on the banks of the Brahmaputra River in Northern India. Bright coppery infusion, full-bodied liquor with a thick malty flavour.

Earl Grey

Twinings created this famous blend in 1831 for the then Prime Minister Earl Grey. Whole leaf Chinese Keemun tea from the Anhui Province has lemon peel and bergamot oil added to it. Sweet biscuit notes from the tea combined with delicate citrus flavours.

Elderflower & Blossom Darjeeling

Elderflower flavour black tea with marigold flowers and pink cornflowers. This extra special tea combines the taste of Darjeeling with the elegant fragrance of marigold and pink cornflower blossoms to create a light, sweet and peachy flavoured tea with a fragrant burst of elderflower.

Pure Camomile

Camomile whole flowers sourced from Eastern Europe. Clear straw-yellow infusion, full-bodied with floral, honey note and soft finish.

Mighty Assam

The fertile soils of Assam owe much to the mighty Brahmaputra River which flows through the region. This unique terroir creates the thick and malty teas that we have selected for this blend. The best second-flush Assams are combined with a scattering of Safflowers for a decadent finish. A bright coppery infusion, thick and full-bodied with a malty finish.

Simply Sencha

This fanning-grade green tea is manufactured using the Sencha technique where, after withering, the green leaf is exposed to steam, allowing it to de-enzyme and retain a delicate flavour. Brilliantly light, straw-yellow liquor, cleansing with a slightly toasty note and drying finish.

Superfruity

A delicious fruity blend containing flavours of the countryside. Clear scarlet infusion, aromas of forest berries, with a lingering sharp finish.

Thoroughly Minted

Everything you expect from the ultimate mint experience - glorious peppermint, rounded with vibrant bursts of sweet spearmint.
